Standard Microwave Oven

The Wolf standard microwave oven with optional trim can be used in combination with a Wolf built-in oven and/or warming drawer to finish off your cooking tower with an integrated look. You can choose from two different trim styles to match our built-in ovens. Model MW24 may also be used in a freestanding application. This is the only standard microwave oven that deserves the Wolf name.

Model MW24 shown with 30" L series trim installed above model SO30F/S built-in oven (framed) and model WWD30 warming drawer with stainless steel drawer front. Also shown, model DF604CF dual fuel range.
